

Waterholes GUEST HOUSE

Directions from **MELBOURNE** to waterholes...

Do not attempt to use Google maps or GPS to reach Waterholes. They will mis-lead you.

1. Drive through Bairnsdale on the Princes Highway.
2. Turn off the roundabout onto the Great Alpine Road (Omeo Highway).
3. Travel 6kms and turn left onto Deptford Road at the blue Waterholes Guest House sign.
4. Remain on Deptford Road until you reach a blue Waterholes Guest House finger board which will direct you right onto Pollywalker Road. (Please do not turn off onto Waterholes Road – travel past this until you reach Pollywalker Road after the tennis courts and community hall.) If you reach the Clifton Creek School you have gone too far!
5. At the end of Pollywalker Road you will see a vertical sign on a tree which has 'W' and an arrow and a number- in this case 17. These signs will direct you from now on. The number represents the kilometers you have to travel from that point.
6. Turn left and continue along Waterholes Road until it T-junctions with Archies Road. Turn right onto Archies Road.
7. Stay on Archies Road until you reach our driveway which is on your right and well signed.

This trip will take you about 45 minutes... Welcome to Waterholes!
