

# Waterholes GUEST HOUSE

---

## Directions from **SYDNEY** to waterholes...

**Do not attempt to use Google maps or GPS to reach Waterholes. They will mis-lead you.**

1. Continue through Lakes Entrance on the Princes Highway to Swan Reach.
2. Turn left towards Metung and then immediately right under the highway bridge.
3. Continue along this road (which follows the Tambo Valley and is a pretty drive) until the end.
4. Turn left towards Bruthen.
5. Travel through Bruthen towards Bairnsdale until you see the big blue Waterholes Guest House sign.
6. Turn right onto Deptford Road and continue driving until you see the blue Waterholes Guest House fingerboard directing you right onto Pollywalker Road (ignore the turn-off to Waterholes Road – go past the tennis courts and community hall). If you reach the Clifton Creek School you have gone too far!
7. At the end of Pollywalker Road you will see a vertical sign with a 'W', an arrow and a number – in this instance it is 17. These signs direct you to Waterholes from now on and tell you how far you have to go.
8. Turn left and continue along Waterholes Road until it T-junctions with Archies Road. Turn right onto Archies Road.
9. Travel along Archies Road until you come to our drive on your right.

This trip will take you a little over an hour from Lakes Entrance...

Welcome to Waterholes!
